**New service contract with Enagas,  
1<sup>st</sup> spanish gas operator**

- **Start of the operation in march**
- **Significant impact on 2014 Revenue**

DIETSWELL has been awarded by ENAGAS, 1<sup>st</sup> gas operator in Spain, for a service contract first to revamp the *Gaviota* platform, located eight kilometers far from Bermeo, on Biscaye coast, in Spain, second to manage work-over operation on that same platform. This ENAGAS facility is dedicated since 1994 to the management of a natural underground reservoir for gas storage.

DIETSWELL's mission starts with the technical revamping of the drilling unit on the platform, followed in Q3 by a work-over program managed by DIETSWELL's team. This contract to be fully executed this year should have a significant impact on 2014 revenue.

This contract rewards the commercial initiatives of DIETSWELL's Contracting division to provide its expertise in drilling project management.
